

# **Benefit Summary**

Washington - Navigate Navigate - Plan AM5O

## What is a benefit summary?

This is a summary of what the plan does and does not cover. This summary can also help you understand your share of the costs. It's always best to review your Certificate of Coverage (COC) and check your coverage before getting any health care services, when possible.

## What are the benefits of the UnitedHealthcare Navigate® Plan?

Get a plan with a Primary Care Provider (PCP) to help coordinate your care.

This is a health plan that requires you to select a PCP who can help guide you through the health care system so you can get the right care at the right time.

- > Select your personal PCP from the plan network. Each enrolled person must select a PCP. Your PCP must be in an area where you (the subscriber) lives. Your PCP will be your first point of contact when you need care.
- > You need to get online referrals from your PCP to see a network specialist.
- > There's no coverage if you go out of network or if you see a network specialist without a referral. You will be responsible for the entire cost of the service.
- > Preventive care is covered 100% in our network.

Not enrolled yet? Learn more about this plan and search for network doctors or hospitals at welcometouhc.com/navigate or call 1-866-873-3903, TTY 711, 8 a.m. to 8 p.m. local time, Monday through Friday.

- > All individual out-of-pocket limit amounts will count towards meeting the family out-of-pocket limit, but an individual will not have to pay more than the individual out-of-pocket limit amount.

You are responsible for paying the lesser of the applicable Co-payment or the Allowed Amount. Please see the specific Covered Health Care Service to see if a co-payment applies and how much you have to pay.

#### What is Prior Authorization?

Prior Authorization is getting approval before you receive certain Covered Health Care Services. Physicians and other health care professionals who participate in a Network are responsible for obtaining prior authorization.
