PHARMACY HOME DELIVERY PROGRAM

Get the medications you take regularly delivered directly to your door

If you take maintenance medications for a chronic condition, you can eliminate the trips to the pharmacy and have your prescriptions shipped directly to you through our Home Delivery Program. It's a great way to save on gas money and eliminate the hassle of standing in line at the pharmacy.

Plus, you can get 90-day supplies and automatic shipments sent to any address to ensure you don't miss a dose even if you're away from home.

A pharmacy experience for your busy life

Our home delivery service is designed to enhance your health and quality of life, and it may even save you money. When you sign up for Home Delivery, you'll have access to a variety of benefits, including:

- 24/7/365 support from our expert pharmacy team
- Easy online ordering
- Up to a 90-day supply

- Free standard shipping
- Deliveries to a location of your choice in plain packages for privacy

Stick to your treatment plan

Studies show that getting a 90-day drug supply can increase the likelihood that you'll keep taking your medications consistently by 7–10% versus having a traditional 30-day fill.[1]
