

Outpatient Prescription Drug Products

Washington Plan 451

Standard Drugs: 15/40/70/250

Your Co-payment and/or Co-insurance is determined by the tier to which the Prescription Drug List (PDL) Management Committee has assigned the Prescription Drug Product. All Prescription Drug Products on the Prescription Drug List are assigned to Tier 1, Tier 2, Tier 3 or Tier 4. Find individualized information on your benefit coverage, determine tier status, check the status of claims and search for network pharmacies by logging into your account on myuhc.com® or calling the Customer Care number on your ID card.

This summary of Benefits is intended only to highlight your Benefits for Outpatient Prescription Drug Products and should not be relied upon to determine coverage. Your plan may not cover all of your Outpatient Prescription Drug expenses. Please refer to your Outpatient Prescription Drug Rider and Certificate of Coverage for a complete listing of services, limitations, exclusions and a description of all the terms and conditions of coverage. If this description conflicts in any way with the Outpatient Prescription Drug Rider or the Certificate of Coverage, the Outpatient Prescription Drug Rider and Certificate of Coverage shall prevail.

Tier 3 Prescription Drug Products	\$70	\$175
Tier 4 Prescription Drug Products	\$250	\$625

Benefit Plan Co-payment/Co-insurance - The amount you pay for Prescription Drug Products.

* Only certain Prescription Drug Products are available through mail order; please visit myuhc.com[®] or call Customer Care at the telephone number on the back of your ID card for more information. If you choose to opt out of Mail Order Network Pharmacy but do not inform us, you will be subject to the Out-of-Network Benefit for that Prescription Drug Product after the allowed number of fills at the Retail Network Pharmacy.

**You will be charged a retail Co-payment and/or Co-insurance for 31 days or 2 times for 60 days based on the number of days supply dispensed for any Prescription Order or Refills sent to the mail order pharmacy. To maximize your Benefit, ask your Physician to write your Prescription Order or Refill for a 90-day supply, with refills when appropriate, rather than a 30-day supply with three refills.

Other Important Information about your Outpatient Prescription Drug Benefits

For Prescription Drug Products at a retail Network Pharmacy, you are responsible for paying the lowest of the applicable Co-payment and/or Co-insurance, the Network Pharmacy's Usual and Customary Charge for the Prescription Drug Product or the Prescription Drug Charge for that Prescription Drug Product. For Prescription Drug Products from a mail order Network Pharmacy, you are responsible for paying the lower of the applicable Co-payment and/or Co-insurance or the Prescription Drug Charge for that Prescription Drug Product. See the Co-payments and/or Co-insurance stated in the Benefit Information table for amounts.

For a single Co-payment and/or Co-insurance, you may receive a Prescription Drug Product up to the stated supply limit. Some products are subject to additional supply limits based on criteria that we have developed. Supply limits are subject, from time to time, to our review and change.

Specialty Prescription Drug Products supply limits are as written by the provider, up to a consecutive 31-day supply of the Specialty Prescription Drug Product, unless adjusted based on the drug manufacturer's packaging size, or based on supply limits, or as allowed under the Smart Fill Program. Supply limits apply to Specialty Prescription Drug Products obtained at a Preferred Specialty Network Pharmacy, a Non-Preferred Specialty Network Pharmacy, an out-of-Network Pharmacy, a mail order Network Pharmacy or a Designated Pharmacy.

Certain Prescription Drug Products for which Benefits are described under the Outpatient Prescription Drug Schedule of Benefits are subject to step therapy requirements. In order to receive Benefits for such Prescription Drug Products you must use a different Prescription Drug Product(s) first. You may find out whether a Prescription Drug Product is subject to step therapy requirements by contacting us at myuhc.com[®] or the telephone number on your ID card.

Before certain Prescription Drug Products are dispensed to you, your Physician, your pharmacist or you are required to obtain prior authorization from us or our designee to determine whether the Prescription Drug Product is in accordance with our approved guidelines and it meets the definition of a Covered Health Care Service and is not an Experimental or Investigational or Unproven Service. You may determine whether a particular Prescription Drug Product requires prior authorization and the duration of the authorization by contacting us at myuhc.com[®] or the telephone number on your ID card. We may also require you to obtain prior authorization from us or our designee so we can determine whether the Prescription Drug Product, in accordance with our approved guidelines, was prescribed by a Specialist.

If you require certain Prescription Drug Products, we may direct you to a Designated Pharmacy with whom we have an arrangement to provide those Prescription Drug Products. If you are directed to a Designated Pharmacy and you choose not to obtain your Prescription Drug Product from the Designated Pharmacy, no Benefit will be paid for that Prescription Drug Product. You may determine if a pharmacy is a Designated Pharmacy by contacting us at myuhc.com[®] or at the telephone number on your ID card.

You may be required to fill the first Prescription Drug Product order and obtain 2 refills through a retail pharmacy before using a mail order Network Pharmacy.

If you require certain Maintenance Medications, we may direct you to the Mail Order Network Pharmacy or Preferred 90 Day Retail Network Pharmacy to obtain those Maintenance Medications. If you choose not to obtain your Maintenance Medications from the Mail Order Network Pharmacy or Preferred 90 Day Retail Network Pharmacy, you may opt-out of the Maintenance Medication Program by contacting us at myuhc.com[®] or the telephone number on your ID card. If you choose to opt out when directed to a Mail Order Network Pharmacy or Preferred 90 Day Retail Network Pharmacy but do not inform us, no Benefits will be paid for that Prescription Drug Product after the allowed number of fills at Retail Network Pharmacy.

Certain Preventive Care Medications may be covered. You can get more information by contacting us at myuhc.com[®] or the telephone number on your ID card.

Benefits are provided for certain Prescription Drug Products dispensed by a mail order Network Pharmacy or Preferred 90 Day Retail Network Pharmacy. The Outpatient Prescription Drug Schedule of Benefits will tell you how mail order Network Pharmacy and Preferred 90 Day Retail Network Pharmacy supply limits apply. Please contact us at myuhc.com[®] or the telephone number on your ID card to find out if Benefits are provided for your Prescription Drug Product and for information on how to obtain your Prescription Drug Product through a mail order Network Pharmacy or Preferred 90 Day Retail Network Pharmacy.

- A Prescription Drug Product that contains (an) active ingredient(s) which is (are) a modified version of and Therapeutically Equivalent to another covered Prescription Drug Product. Such determinations may be made up to six times during a calendar year, and we may decide at any time to reinstate Benefits for a Prescription Drug Product that was previously excluded under this provision.
- Certain Prescription Drug Products for which there are Therapeutically Equivalent alternatives available, unless otherwise required by law or approved by us. Such determinations may be made up to six times during a calendar year, and we may decide at any time to reinstate Benefits for a Prescription Drug Product that was previously excluded under this provision.
- Experimental, Investigational or Unproven Services and medications; medications used for experimental treatments for specific diseases and/or dosage regimens determined by us to be experimental, investigational or unproven. This exclusion does not apply to Prescription Drug Products which have not yet been approved by the Food and Drug Administration for a particular indication, if the prescribed drug has been recognized as safe and effective for treatment of a particular indication in or by one or more of the following: in one of the following standard reference compendia: the American Hospital Formulary Service Drug Information, the American Medical Association Drug Evaluation, the United States Pharmacopoeia Drug Information, or other authoritative compendia as identified from time to time by the Federal Secretary of Health and Human Services or the insurance commissioner; in the majority of relevant peer reviewed medical literature if not recognized in one of the standard reference compendia, or by the Federal Secretary of Health and Human Services.
- Any product dispensed for the purpose of appetite suppression or weight loss.
- Medications used for cosmetic purposes.
- Prescription Drug Products when prescribed to treat infertility.
- Certain Prescription Drug Products for tobacco cessation.
- Drugs available over-the-counter that do not require a Prescription Order or Refill by federal or state law before being dispensed, unless we have designated the over-the-counter medication as eligible for coverage as if it were a Prescription Drug Product and it is obtained with a Prescription Order or Refill from a Physician. Prescription Drug Products that are available in over-the-counter form or made up of components that are available in over-the-counter form or equivalent. Certain Prescription Drug Products that we have determined are Therapeutically Equivalent to an over-the-counter drug or supplement. Such determinations may be made up to six times during a calendar year. We may decide at any time to reinstate Benefits for a Prescription Drug Product that was previously excluded under this provision.
- Any product for which the primary use is a source of nutrition, nutritional supplements, or dietary management of disease and prescription medical food products, even when used for the treatment of Sickness or Injury, except as required by state mandate as described under Formulas for Phenylketonuria (PKU) in Section 1 of the COC, or except as required by state mandate as described under Eosinophilic Gastrointestinal Disorder and Prescription Drug Products under Defined Terms in the Outpatient Prescription Drug Rider.
