Employer Statement and Signature

We understand premiums are prepaid and are due no later than the 10th day of each month. We understand the delinquency policies and termination process as outlined by the AGC Health Benefit Trust.

We understand that participation in the AGC Health Benefit Trust requires AGC membership in good standing. **Your medical benefits will be terminated with 30-day notice upon notification of non-payment of membership dues to AGC of Washington or Inland Northwest AGC.**

I understand that the Certificate of Coverage or Summary Plan Description, and other documents, notices and communications regarding the coverage indicated on this application may be transmitted electronically to me and to the Group's employees.

I represent that, to the best of my knowledge, the information I have provided in this application – including information regarding qualified beneficiaries and dependents who have elected continuation under COBRA or state continuation laws – is accurate and truthful. I understand that UnitedHealthcare and Affiliates will rely on the information I provide in determining eligibility for coverage, setting premium, rates, and other purposes, and that any intentional misrepresentation, fraudulent statement, or omission that constitutes fraud may result in rescission of the group policy, termination of coverage, increase in premiums retroactive to the policy date, or other consequences as permitted by law.

It is a crime to knowingly provide false, incomplete, or misleading information to an insurance company for the purpose of defrauding the company. Penalties include imprisonment, fines, and denial of insurance benefits.

In some instances, we pay brokers and agents (referred to collectively as "producers") compensation for their services in connection with the sale of our products, in compliance with applicable law. We may pay "base commissions" based on factors such as product type, amount of premium, group/company size and number of employees. These commissions are reflected in the premium rate. In addition, we may pay bonuses pursuant to programs established to encourage the introduction of new products and provide incentives to achieve production targets, persistency levels, growth goals or other objectives. Bonus expenses are not directly reflected in the premium rate but are included as part of the general administrative expenses. Please note we also make payments from time to time to producers for services other than those relating to the sale of policies (for example, compensation for services as a general agent or as a consultant).

Producer compensation may be subject to disclosure on Schedule A of the ERISA Form5500 for customers governed by ERISA. We provide Schedule A reports to our customers as required by applicable federal law. For specific information about the compensation payable with respect to your particular policy, please contact your producer.
