Important Details

This Summary of Benefits sheet is an overview of the Life Insurance being offered and is provided for illustrative purposes only and is not a contract. It in no way changes or affects the policy as actually issued. Only the insurance policy issued to the policyholder (your employer) can fully describe all of the provisions, terms, conditions, limitations and exclusions of your insurance coverage. In the event of any difference between the Summary of Benefits sheet and the insurance policy, the terms of the insurance policy apply.

Once a group policy is issued to your employer, a certificate of coverage will be available to explain your benefits in detail.

You must be Actively at Work with your employer on the day your coverage takes effect.

This coverage, like most group benefit insurance, requires that a certain percentage of eligible employees participate. If that group participation minimum is not met, the insurance coverage that you have elected may not be in effect.

Annual Earnings are defined in UnitedHealthcare's contract with your employer.
